Now is the Time for Hyomei
Far Easier to Cure Catarrhs Now Than at Any Other Season
Now is the time to use Hyomei when the early summer days make it so easy to cure catarrhal troubles. The Hyomei treatment breathes for a few minutes three or four times a day in May or June, will do good twice as quickly as it did in January, and nearly everyone knows that good, healthy tissue is completely rid of the excess of catarrh. Hyomei is purely a vegetable preparation whose active curative properties are given off when it is breathed by the aid of the pocket inhaler that costs but one dollar, and consists of a most ingenious device for supplying additional air to the nostrils, and a bottle of Hyomei. The Hyomei treatment is a most effective remedy for all catarrhal troubles, and is a most effective remedy for all catarrhal troubles, and is a most effective remedy for all catarrhal troubles.

Every factory and mill in the manufacture of their products accumulate Mill Ends or Loom Ends, as they are commonly called. They are short lengths from the loom generally 1-2 to 10 yards in length. Then they are tied up in great bundles and disposed of by weight, so much for a hundred pounds instead of so much a yard. The price always brings less than the cost of the raw material they are made from. Loom Ends accumulate in all mills, therefore careful buyers, by a persistent system of buying, can secure Loom Ends of every conceivable kind of piece goods that is made

It will pay you to come twenty miles to attend this sale. The bargains we offer during this, our Third Loom End Sale, are bigger and better than ever

GREAT LOOM END SALE

In addition to the 50 cases of Mill Remnant Bargains, our buyers were fortunate in securing a large and choice assortment of seasonal and desirable merchandise which was thrown on the market through a recent pre-inventory sale of one of the largest wholesale dry goods houses in the United States. These goods were disposed of at way below their actual value, and we bought at prices much cheaper than we had any right to accept. We now propose to give our customers and friends the benefit of our close buying. Such unheard of buying chances as will be offered during this Great Loom End Sale have never before been thought of in Richmond. It affords an exceptional opportunity of securing new seasonal and desirable goods right at the time when they are most needed and at prices actually lower than wholesale

Our Tables of Fine Embroideries, Hamburgs and Laces have had Loom End prices named on them with big Red Tickets so you can see the price and the prices are so low that it sounds like a fairy tale, and it should awaken as much interest among the ladies of Madison and adjoining counties as a well told fairy tale at a children's party. Here are several thousand yards of high grade Embroideries, both edgings and insertions. A most magnificent collection of popular and wanted patterns including open and drawn work effects, Embroideries suitable for corset covers, children's dresses and a thousand other purposes for which Embroideries may be used at prices never before heard of in Richmond
